Baga Beach - full-length version in Hindi. 2Mov The Tamil film directed by Crazy Mohan stars Kamal Haasan as a dabbler in magic. Also starring Nagma and Raadhika Sarathkumar. Rajnikanth and Nalini Tiwari playing supporting roles. Lalitha playing Mohan's love interest. It is inspired by a Bengali novel titled Bagher Chor. The journey begins with an incident of the magician losing his watch and a group of thieves steal it from the train. He follows them in search of his watch. Following an accident the magician and his assistant decide to sell the magic stones to a group of rich people. The magician is not interested in the job but his assistant wants to earn money so he agrees. All the persons involved in the deal cheat him and take away the stones and the magician suspects his assistant. The magician and his assistant follow the thieves and some other people who were involved in the deal, and they learn that a gang has hidden the stones in an old temple. The magician goes to the temple and finds the stones and the thieves. The thieves try to escape but are captured by the magician and his assistant. The magician and his assistant learn that the thieves are the daughter of the owner of the castle and they were lured to the temple by the father. The magician and his assistant take them back to the castle. The magician and his assistant go to the town where they had a meeting with the thieves. They tell the thieves that their father has lied to them and had not actually been their father. The thieves try to escape but are captured by the magician and his assistant. They come to know that their father has died from illness a few days before. The magician and his assistant take them to the boat where they were going to escape from the country. In the meantime, a robber has broken into the magician's house and killed the magician's wife. The magician decides to leave the country and his assistant decides to stay in the castle. The magician and his assistant learn that they are in a trap and they have been followed by the robber who has stolen the magic stones and the thieves. The magician and his assistant escape from the trap and meet the robber. The magician and the robber have a fight and the magician
