on that. The publisher of the book says, "he was a good writer who could have had a lot of success and become rich and famous writing fiction," but there's little evidence for that in the story that has been published and even less in the writing that we've seen. I don't care if his life is full of suffering or empty of success. His choices were, and we have to assume that he wanted to help people, even if he sometimes did so unsuccessfully. Just my.
