Watch bad boys 2 full movie online.The present invention relates to an improved method of retaining and dispensing articles at a retail point of sale. More particularly, the invention relates to a method for retaining an article on a continuously-feed retail point of sale which allows the articles to be removed from the apparatus automatically. It is well known that display racks have many advantages over other methods of displaying and marketing consumer goods. A rack permits large quantities of goods to be conveniently displayed and viewed while maintaining a significant portion of the inventory out of sight. When displayed and placed in a crowded store, a rack can be effective in creating the impression that a relatively large quantity of goods are available for purchase. A rack can also promote a desirable low-price image, even though a smaller number of items are actually displayed. However, most known display racks are limited in their ability to provide a desirable low-price image and to effectively attract consumer attention. Some racks permit articles to be dispensed but do not provide efficient replenishment of the stock so that only a limited number of articles may be dispensed. Thus, for example, most racks do not allow consumers to withdraw more than a single article at a time. Even when a rack permits the selective dispensing of articles in 3e33713323
