

## 8 Basic Building Blocks Pathman Pdf Download

The 8 BASIC BLOCK OF NETWORK MARKETING: **BBB 1 - DREAM:** Define what you want to achieve. **BBB 2 - REQUIREMENTS:** what you need to do to get closer to this goal. **BB 3 - ACHIEVEMENTS:** those milestones you must reach in order to reach your goal. **BBE 4 - PARAMETERS:** the main characteristics of your future business. **BBN 1 - QUALITY:** Assess the resources and opportunities available to increase the potential of this business. If **BBN 2 - PURPOSE -** to set new goals for the business, **BBN 3 - LEVEL -** to assess your needs and opportunities. If **BBN 4 - BENEFITS -** assess what will bring the most benefit to the business. In other words, it is required to highlight the evaluation criteria. As when writing a resume, the only difference is that not only your psychological characteristics and achievements will be presented, but also what your competitors usually pay attention to. In fact, there are several basic evaluation criteria when compiling and analyzing a resume. Pay attention to these criteria. 1. You are an expert in this field. Most applicants are not satisfied with themselves, because they do not have the necessary education, system of knowledge and necessary skills, therefore they are looking for a job not in their specialty. Your qualities and experience are your trump cards. If you are recognized as a specialist, this is a huge plus. 2. Your experience corresponds to the field of activity. Often, employees notice a discrepancy between how the applicant presented himself and what he actually received at the interview. If you are unfamiliar with the field you are interviewing, and therefore do not have relevant experience, a resume can be laughable. 3. Competition in the labor market increases as the number of firms increases. Now we need people with experience, and we need to find it. Nowadays, there are many courses that provide courses and seminars in your chosen specialty. 4. Before sending a resume, you should go to the company's website and find out how many companies and specialists work in this position, that is, conduct a little monitoring. This is the only way to determine how you are able to compete with other applicants. 5. When it comes to information retrieval, you can write an essay, resume, and cover letter. This will help mimic your work in the field in which you want to get a job. If you have resume writing experience, take note of the following. For creative people who want to be a "star" in their field
