# Creative Webcam Driver N10225

Updating the Creative WebCam Notebook driver (version 1.04.01.0322). Fixes: Allows Paint Shop® Pro... to access camera images in Windows® XP. By default, the program's installer sets an option that blocks access to images. Fixes an issue where WebCamNotebook does not search for drivers. Fixes an issue where webcam notebook cannot access video images from webcam notebook. Issues: Troubleshooting when used as a video driver for Internet Explorer versions 6 and 7 (Vista). Improved compatibility with Adobe® Flash® Player. Improved driver installation process.
