just wait until now!Search form The 21st century is the age of social media. The  
value of social media is undeniable and businesses have begun to realise the impact  
social media can have on their brand. Today, 56% of the global workforce works at  
least half time on social networks, with 75% of social media users in the Philippines  
saying they do so as their primary work activity. As the social media landscape  
grows, social media managers must develop processes and the skills to ensure their  
businesses stay competitive. This one-day online training program prepares  
managers for the success of their businesses online. It gives them the knowledge and  
tools to gain the skills needed for social media management. This comprehensive  
program will teach them about the new social media best practices in the Philippines.  
It will also train them how to build a successful social media presence in the  
Philippines for their company. Highlights of the Social Media Management
