Go.There was a good reason why the very first thing the new year did was hit my fucking phone. It was time to pick up the pieces. Time to have a look at the phone that was most likely to misbehave in the first month of the year - the Redmi Note 4 Pro. If you haven't been keeping track, the last time I reviewed the Redmi Note 4 Pro was way back in September 2017, when I said it's one of the best mid-range phones out there. Well, what can I say? Time flies. The Note 4 Pro's story is short and sweet - it's a version of last year's Xiaomi Redmi Note 4 with a few bonus features thrown in for good measure. But since that's all you really need to know, let's start our tour through the phone's features. The Xiaomi Redmi Note 4 Pro comes in a range of four different colors: Midnight Black, Quartz Blue, Titanium Gray and Pink 648931e174

The state of Arkansas has struck a deal with the drug testing provider Quest Diagnostics to secure up to \$1 million in grants over a 3-year period to promote drug testing among those who have been convicted of crimes. The Arkansas Criminal Justice Commission, which is responsible for administering the Hire-A-Cop program, will manage the grants. A release from the commission states that the money will be used "to educate law enforcement agencies, prosecutors and judges on the importance of providing pre-employment and random drug testing is a proven method to help police agencies ensure that officers are operating safely on and off duty and that offenders who need treatment are identified and treated," said Commissioner Ron Lockett, Chairman of the Arkansas Criminal Justice Commission. The agreement to use the grants was signed between Quest Diagnostics and the Arkansas Criminal Justice Commission on April 24., your stepson, and your husband. It's a whole bucket of insanity, or a few buckets at the very least. In between that I try to keep myself busy by doing projects, buying things, working on my series, sleeping, eating, shopping, going to church, paying bills, working on a book I'm writing, volunteering, and talking on the phone with relatives and friends. All of this goes on and on and on. You just need to be aware of what's going on in your life and keep reminding yourself that even though you're having a pretty crappy day, it's going to pass eventually. But I gotta say, my depression is better than it's been in a while. It's great! I say that because I've been really fortunate over the last few months in dealing with my depression, and that's a lot to be grateful for. I've started counseling, which is an important part of the process. That's where I began. I did what you're supposed to do, and I made an appointment with a counselor. I didn't really have a problem with that, except that I'm always so paranoid about people finding out I've started counseling. In fact, the only people I told about it were my
