Your serial number is: 3726 9150 We are deeply sorry to hear about the troubles you were experiencing with this product. We had the serial number entered incorrectly in the database and the set of files was not successfully transmitted. Please note that the serial number is only necessary for devices with firmware version. We have updated the database to reflect this. We sincerely apologize for any inconvenience caused. We are looking into the matter and once we have it resolved, we will inform you. We have also tried to contact the customer directly to find out if we can help with any of the issues or if there is anything else we can do to assist. Very sorry for any troubles you have had. I am from the White Cap Customer Service Department and I am contacting you via the above provided email, as we feel it best to inform you of this issue through this method. If you wish to get in touch with the customer service department, you can reach us by telephone at either the U.S. - (719) 515-8117 or the Canada - (855) 452-9685. If you need to contact us via email, please use the following as your template (no quotation marks). We look forward to hearing from you. Dear Customer Service Department, Thank you for your patience in this matter. Recently, we have received a number of emails inquiring as to the current status of the serial number being entered. I am contacting you today to let you know that the serial number that you entered into the product has been entered into our system. It was incorrectly entered. We have had trouble on a number of occasions with the serial number being entered. Unfortunately, due to the nature of these serial number key problems, we have not been able to complete a complete installation. We are contacting you today to let you know that we will no longer be able to complete the installation of the product and send the software to your devices. I am contacting you today to let you know that the serial number that you entered into the product has been entered into our system. We are in the process of correcting the issue on our end. We will keep you posted of any developments. Thank you. I have tried contacting you via several methods, but I have yet to receive a response. Please make note that I do not have
