System Requirements For Crono:

Windows 7 or higher
An Internet connection is required for downloading and installing
Minimum 1 GB of available hard drive space

Display Resolution:

1024×768 Recommended:

1280×1024
Mini-review: I had a chance to check out a Kickstarter project from Hyperkin called the PS4mini last year. This is the follow-up to that project, and it's definitely worth checking out

if you missed the first version.
This "PS4 mini" is one of the
smallest and most portable
PS4 consoles you can buy,
but is
