Meera song, Murali Meets Meera mp3 song. Murali Meets Meera Full Movie Songs. I am really impressed by the movie. I really liked the way the entire movie was executed and the scenes. I liked that the movie did not get complicated and was very easy to understand. The storyline and the characters had a great impact on my mind and made me think on what they actually said. I also liked the romantic scenes between the characters because there was a lot of chemistry between them. I knew there was no way I would be able to get a message to you. I even worried if I would be able to get through because you have already come up on my list of contacts that I would try to send a message to if I had any way of finding out your username. Thank you so much for writing back to me and thank you for creating this site and for the entire group of people that are supporting the site. Thank you. I can truly say that it is my first ever positive message and I appreciate your inspiration. I appreciate that
