Microsoft Office Professional Plus 2013 is now available for free.. It is now time for a download of theÂ Â .ONLY 4 DAYS LEFT - 100% Funding Needed! Can you believe it?

After almost a month of fundraising, we are almost completely funded and only 4 days remain to spare! That is 57 more days of in-person socializing, of fun parties and after-parties, of talking with

interested investors and of showing off the project! That is all... but that's not all! In a nutshell, we need another \$10,000 of funding to almost complete the design of our new cryptographic storage option for Ubuntu. A few weeks ago we ended a secret voting on an open-source hardware wallet, the Trezor 2, which would be ideal for the storage of sensitive data. The monetary value of this funding however is much more than the sum of our remaining needs. As this hardware wallet contains a complete solution to our storage problem, it may be purchased at a discount. Our backers may potentially sell their Trezor 2 at a handsome profit. Such a purchase could bring us more than 10x, that's right 10x! For example, we could have paid for the

purchase of this wallet and for 10 years' worth of Ethereum at the current exchange rate. The Trezor 2 is already 75% finished, its production is just a few weeks away, but we still need to raise \$10,000 more to complete the project. Our goal is to bring the necessary additional funds in by the end of August, 1-week before our Debian convention. What we are trying to raise here is about the \$
